

COVID-19

Letter to our Customers:

Changes Operations as we navigate COVID-19

As the situation with COVID-19 continues to grow, we are making it our priority to keep our employees as well as our customers safe.

If you are feeling unwell, please do not visit our employees.

Feeling unwell includes, but is not limited to, respiratory issues (cough, fever, running nose, shortness of breath).

Please do not enter if you have recently travelled outside of Canada.

If you have travelled we ask you to postpone your visit for 14 days and please call ahead to speak with who you wish to visit for further instructions.

We want to assure our customers we are keeping our storefront and counter areas clean. With extra attention to high touch areas.

We please ask that you consider social distancing (1 meter) while in our stores and warehouses.

We are currently keeping our regular hours, but as things are ever evolving during this time things may change. We will keep you updated if things change.

Thank you for your understanding.
